Yugoslavia	1,500 1/	110	97.7	108.9

n.a. Not available.

1/ By own estimate based on a projection of Colin Clark's estimates and other sources.

2/ Less than \$2-1/2 million.

3/ Includes Burma and Ceylon.

4/ U.S. gold holdings reduced by amount of foreign-owned dollar balances.

5/ Figures for trade of Belgium and Luxembourg estimated by apportioning combined trade in ratio of respective populations.

6/ No figures available -- roughly indication based on 1938 figures for Italian East Africa.

7/ Figures for trade of India as area separate from Burma estimated for 1934-1936 by using the known ratio of trade of each for 1937-1938 to their trade as a combined area in 1938.

8/ 1934-1937 average.
