

INTERNATIONAL MONETARY FUND
and
INTERNATIONAL BANK FOR RECONSTRUCTION AND DEVELOPMENT

September 30, 1946

To: All Members of the Secretariat

Subject: Conference Movies, September 30, 1946

There will be continuous showings today of movies filmed at the Savannah and San Francisco conferences between 4:00 and 5:30 p.m. in the Burgundy Room.

Everyone is asked to attend since these views of international conferences, similar in purpose to our own, are especially instructive with respect to techniques of operation and service. From them each of us will undoubtedly draw a number of ideas helpful to the smooth, harmonious conduct of the First Annual Meeting.

Any suggestions you have to benefit your Conference assignment, or that of the Secretariat generally, should be sent to the office of the Conference Administrative Officer, Mr. Walter H. Windsor, room 108A, extension 2615.

Frank Coe,
Secretary of the Fund

Morton Mendels
Secretary of the Bank
