

JOINT STATEMENT IV, 2, 3, 4.

2. Subject to 5, below, no change in the par value of a member's currency shall be made by the Fund without the country's approval. Member countries agree not to propose a change in the parity of their currency unless they consider it appropriate to the correction of a fundamental disequilibrium. Changes shall be made only with the approval of the Fund, subject to the provisions below.

3. The Fund shall approve a requested change in the par value of a member's currency, if it is essential to the correction of a fundamental disequilibrium. In particular, the Fund shall not reject a requested change, necessary to restore equilibrium, because of the domestic social or political policies of the country applying for a change. In considering a requested change, the Fund shall take into consideration the extreme uncertainties prevailing at the time the parities of the currencies of the member countries were initially agreed upon.

4. After consulting the Fund, a member country may change the established parity of its currency, provided the proposed change, inclusive of any previous change since the establishment of the Fund, does not exceed 10 percent. In the case of application for a further change, not covered by the above and not exceeding 10 percent, the Fund shall give its decision within 2 days of receiving the application, if the applicant so requests.
