

In order to enable countries occupied by the enemy to become original members of the Fund even though they may be unable to have the Agreement approved by their legislatures before December 31, 1945, it is suggested that the following amendments be made:

1. Add to Article XX, Section 2(c), "This Agreement shall remain open for signature on behalf of the government of any country whose metropolitan territory has been occupied by the enemy until six months after that territory has ceased to be a theater of major hostilities or for such period thereafter as the Fund may determine".
2. Delete all of paragraph (h).
3. Delete all of paragraph (i).
4. In Article II, Section 1 change the word "date" to "time".

Then original members will be those governments which accept membership before the time specified in Article XI, Section 2(i).
