**Council Indorses
World Bank, Fund**

The board of directors of the National Council of American Importers, Inc., at a meeting held yesterday unanimously adopted the following resolution on the Bretton Woods proposals: "Resolved that the board of directors of the National Council of American Importers, Inc., recommends that the Congress authorize participation of the United States in the 'International Bank for Reconstruction and Development' and in the 'International Monetary Fund' tentatively agreed upon at Bretton Woods, subject to such amendments as the Congress may deem necessary."
