

July 29, 1946

Dear Mr. Outland:

Thanks very much for furnishing me with a text of your speech on the British Loan. It was an outstanding statement and I know that it carried real weight in the successful outcome of that difficult battle.

Sincerely,

(Signed) Ansel F. Luxford

In most cases those designated as "to be arranged" in the above category have already been contacted informally but no specific date has been set. Secretary Vinson is anxious to have Marion B. Folsom of the Colmer Committee testify, but he wants to consider this problem further.
