

TO:

Mr. Lufford

John Dierkes

March 28, 1946

Secretary Vinson

John Dierkes

Information on which the attached chart of the position of members of the House on the U. K. loan is based may be obsolete in many cases. Little has been said recently by former House critics of the loan, with the exception of perhaps half a dozen members.

Totals:

For	33
Against	65
Probably for	4
Probably against	14
Critical	2
