Subject: Brazil - Request for Technical Assistance

A request has been received from the Brazilian authorities for technical assistance on the management of domestic public debt, a function which has recently been transferred from the Central Bank to the Ministry of Finance in order to keep it separate from the execution of monetary policy.

It is proposed to comply with this request and to send Mr. A. Premchand, Advisor, Fiscal Affairs Department, to Brasilia for two weeks in early November. (He will be assisted by two members of the panel of fiscal experts specializing in government accounting and debt management, respectively.)

In the absence of a request for discussion by an Executive Director by noon on Friday, October 26, 1984, the proposal will be deemed to have been approved by the Executive Board and it will be so recorded in the minutes of the next meeting thereafter.
