Subject: Malawi - Executive Board Consideration of Review Under
Extended Arrangement (EBS/84/32, 2/29/84)

Mr. Sangare has requested that the staff report for the review under the extended arrangement for Malawi be considered by the Executive Board by March 26, 1984; Board consideration by that date is needed to enable Malawi to make the next purchase under the arrangement at the end of March rather than in April. Completion of the staff paper was slightly delayed due to the need for additional information. It was issued on Wednesday, February 29 and scheduling the discussion on March 26, 1984 would result in shortening the customary circulation period for the paper by two days.

In the absence of objection by the close of business on Monday, March 5, 1984, Board consideration of the review under the extended arrangement for Malawi will be scheduled on Monday, March 26, 1984.
