Subject: East African Central Banking Course - Request for
Technical Assistance

The central banks of Uganda, Tanzania, and Kenya have requested that the staff participate in the above course by providing a speaker on the subjects of balance of payments, the exchange rate system, and the role of the Fund in the international monetary system.

The course will take place in Tanzania over a six-week period in May-June 1984. It is proposed to comply with the request by sending a staff member to Tanzania for approximately three days to participate in the course.

In the absence of a request for discussion by an Executive Director by noon on Friday, March 30, 1984, the proposal will be deemed to have been approved by the Executive Board and it will be so recorded in the minutes of the next meeting thereafter.
