Subject: Mauritius - Request for Technical Assistance

A request has been received from the Mauritian authorities for technical assistance in the fiscal field. This would comprise a review of problems of corporate and personal income tax structure and rates, as well as those affecting the planned unification of the individual revenue services.

It is proposed to comply with this request and to send a mission comprising Mr. Alan A. Tait (head), Deputy Director, Fiscal Affairs Department, together with a secretary, to Port Louis for around two weeks early in February. (They would be accompanied by a member of the fiscal panel versed in income tax policy and revenue management).

In the absence of a request for discussion by an Executive Director by noon on Monday, January 24, 1983, the proposal will be deemed to have been approved by the Executive Board and it will be so recorded in the minutes of the next meeting thereafter.
