Subject: Thailand - Request for Technical Assistance

A request has been received from the Thai authorities for technical assistance to establish an operational fiscal reporting system in the Ministry of Finance and its departments. It is proposed to comply with this request and to send Mr. A. Premchand, Advisor, Fiscal Affairs Department, to Bangkok for about three weeks in early March 1983. (He would be accompanied by a member of the fiscal panel experienced in revenue statistics.)

In the absence of a request for discussion by an Executive Director by noon on Monday, February 14, 1983, the proposal will be deemed to have been approved and it will be so recorded in the minutes of the next meeting thereafter.
