EBD/83/197

July 22, 1983

To: Members of the Executive Board

From: The Acting Secretary

Subject: Publication of "Interest Rate Policies in Developing Countries"
(SM/82/213 (11/12/82) and Correction 1 (11/30/82))

The above-mentioned paper, which was discussed by Executive Directors at Executive Board Seminars 82/9 and 82/10 on Friday, December 10, 1982 has been revised in the light of comments made by Executive Directors. A copy of the revised paper can be obtained from the Chief Editor, Mr. Norman K. Humphreys, ext. (5)7072. The paper deals with a topic that is of widespread interest and it is therefore proposed that, after editing, it be published in the Occasional Papers series. The published version would be attributed to the staff of the Research Department.

In the absence of an objection from an Executive Director by noon on Thursday, July 28, 1983, the proposal to publish the paper will be deemed to have been approved by the Executive Board and it will be so recorded in the minutes of the next meeting thereafter.
