Subject: Rwanda - Request for Technical Assistance

A request has been received from the Rwandese authorities for technical assistance in the customs field, mainly to assist with the training of customs officials. It is proposed to comply with this request and to send Mr. François Corfmat, Tax Administration Analyst, Fiscal Affairs Department, to Kigali for up to two weeks from end-September 1983. Another visit by Mr. Corfmat, probably of the same length, is planned for the end of the training period in January 1984. (Longer-term assistance will be provided by a member of the panel of fiscal experts.)

In the absence of a request for discussion by an Executive Director by noon on Tuesday, September 13, 1983, the proposal will be deemed to have been approved and it will be so recorded in the minutes of the next meeting thereafter.
