Subject: Mauritania - Request for Technical Assistance

A request has been received from the Mauritanian authorities for early technical assistance in both the tax and expenditure areas. It is proposed to comply with this request and to send a mission to Nouakchott for about three weeks in September-October 1983. The mission would comprise Messrs. E. A. Conrad, Chief, Government Expenditure Analysis Division (head), and Z. Yücelik, Senior Tax Administration Analyst; together with a secretary, all from the Fiscal Affairs Department. (The mission would be reinforced by two members of the panel of fiscal experts experienced in tax and budgetary matters.)

In the absence of a request for discussion by an Executive Director by noon on Monday, September 19, 1983, the proposal will be deemed to have been approved and it will be so recorded in the minutes of the next meeting thereafter.
