EBAP/83/196

July 21, 1983

To: Members of the Executive Board
From: The Secretary
Subject: Education Allowance Review

Attached is a memorandum from the Chairman of the Committee on Administrative Policies, indicating that the Committee has approved on a lapse-of-time basis a paper dealing with the adjustment of education allowances for the 1983/84 academic year. The recommendations contained therein are an application of the procedures that have been followed annually since 1980.

In the absence of objection by the close of business on Monday, August 1, 1983, the recommendation of the Committee will be deemed approved by the Executive Board and it will be so recorded in the minutes of the next meeting thereafter.

From: The Chairman
Committee on Administrative Policies

Subject: Education Allowance Review

The Committee on Administrative Policies has approved on a lapse-of-time basis a paper dealing with the adjustment of education allowances for the 1983/84 academic year and recommends the following draft decision for adoption by the Executive Board, to be effective for the first full scholastic year which starts on or after August 1, 1983.

a. The maximum allowance for tuition in the staff member's country of assignment shall be increased to \$3,700 from \$3,400 per annum.

b. The maximum "base allowance" for tuition and boarding for children studying outside the staff member's country of assignment shall be increased to \$5,400 from \$5,000 per annum.

c. When children are studying outside the staff member's country of assignment, the "base" subsistence grants at primary and secondary school levels shall be raised to \$1,300 from \$1,200 per annum, and at post-secondary level to \$2,600 from \$2,400 per annum.
