To: Members of the Executive Board

From: The Acting Chairman  
Committee on Administrative Policies

Subject: Spouse and Dependents' Allowances

The Committee on Administrative Policies has considered the proposals contained in EB/CAP/91/2 (2/8/91) regarding the adjustments in Spouse and Dependents' Allowances. The Committee--with one member objecting to the increase to the level of US\$30,000 at which spouse income would be prorated--recommends that Executive Directors endorse these proposals, as set out in paragraphs (a) through (f) in Section IV of EB/CAP/91/2, effective January 1, 1991.
