Department Heads

Item 1

Immediately under the headline of agenda item 1, insert the following:

"The general economic background for this item is provided in the Note by the Managing Director of the Fund on the World Economic Outlook submitted for the February meeting of the Interim Committee (DC/83-4) and by an updated World Economic Outlook paper which is under preparation and which will be circulated before the meeting (DC/83-4, Sup. 1)."

Item 1(iv)

In the indented part of the annotation:

- (a) deletion of the second indent (in square brackets);
- (b) the fourth indent would read:

"-- welcome the intensified efforts of the Bank and the Fund to encourage an expanding and open world trading system, while remaining sensitive to the special needs of developing countries, and urge the Bank and the Fund to collaborate with the GATT in keeping under careful review, in the areas of their competence, the progress made, including inter alia in dismantling of trade barriers;"
