EB/CW/DC/83/3

Revision 1

Supplement 1

July 29, 1983

To: Members of the Committee of the Whole  
on the Development Committee

From: The Secretary

Subject: Development Committee - Agenda

Attached for consideration by the members of the Committee of the Whole on the Development Committee is the draft agenda of the September 26 meeting of the Committee further revised to reflect the discussion held yesterday in the Bank Committee of the Whole.

This subject, together with the memorandum on the future of the Development Committee set forth in EB/CW/DC/83/3, Revision 1 (7/20/83), is being placed on the agenda for discussion by the Committee on Monday, August 1, 1983.

Att: (1)

DEVELOPMENT COMMITTEE

AGENDA  
for the Meeting in Washington, D.C.  
September 26, 1983

---

Opening Statement by the Chairman

Statement by the Managing Director of the  
International Monetary Fund

Report by the President of the World Bank on  
Current Development Issues

1. Capital Flows to Developing Countries
  - (a) The World Bank Lending Program and Implications  
for the Bank's Capital Requirements
  - (b) Status of Concessional Resource Flows
2. Sub-Saharan Africa: Development Issues
3. Progress Reports:
  - (i) Linkages between Trade and the  
Promotion of Development
  - (ii) Lending for Energy
  - (iii) Task Force on Concessional Flows
4. Annual Report
5. Other Business

The Report by the President of the World Bank, accompanied by the Summary of the Board discussion of the Report will be the background documents for items 1 and 2.

The World Development Report 1983 and the World Economic Outlook will constitute background documents to the Agenda.

A Memorandum on the Future of the Development Committee, prepared in response to the request by some Members at an informal meeting last April, will be presented and discussed at an informal closed session by Members.
