CONFIDENTIAL

To: Members of the Committee of the Whole on Membership
for the Republics of the Former U.S.S.R.

From: The Secretary

Subject: Ranking of Fund Members Under the Eighth
and Ninth General Reviews of Quotas

Several Directors have requested information on the ranking of members' positions under the Eighth and Ninth General Reviews of quotas. Executive Directors may also find it useful to have this information which could provide useful background information for the Committee of the Whole meeting on Thursday, March 26, 1992. Table 1 provides the quotas and quota shares of members under both the Eighth and the Ninth Reviews, including their calculated quotas and voting power, with members being ranked in accordance with the quotas agreed under the Ninth General Review, taking into account those members that have joined the Fund since the Ninth Review was completed. The table presents calculations of percentage shares excluding Switzerland (with the data for Switzerland shown as a memorandum item).

Mr. Roncesvalles (ext. 7800) is available to answer technical or factual questions relating to this paper.
