

3. COSTA RICA - STAND-BY ARRANGEMENT - TECHNICAL ADJUSTMENT TO
CREDIT CEILINGS

1. The Government of Costa Rica has proposed a technical adjustment to the ceilings on the domestic banking system's net credit to the nonfinancial public sector in Table 2 attached to the letter dated November 23, 1982 requesting a stand-by arrangement.

2. The Fund does not object to the proposal of the Government of Costa Rica. Accordingly, the cable dated April 12, 1983 from the President of the Central Bank and Minister of Finance of Costa Rica shall be attached to the stand-by arrangement for Costa Rica, and

(a) Table 2 in that cable shall replace Table 2 attached to the letter from the Government of Costa Rica dated November 23, 1982, and

(b) paragraph 4(a)(ii) of the stand-by arrangement for Costa Rica, attached to EBS/82/314, Sup. 1, shall be modified by substituting "...Table 2 in the cable attached to EBS/83/80..." for "...Table 2..." (EBS/83/80, 4/21/83)
