

6. RWANDA - CHANGE IN REPRESENTATIVE RATE FOR RWANDA FRANC

The Fund finds, after consultation with the authorities of Rwanda, that the representative rate for the Rwanda franc, under Rule O-2, paragraph b(iii), is its fixed relationship to the SDR, which is Rwanda francs 102.71 per SDR. The Banque Nationale du Rwanda will promptly advise the Fund of any change in the representative rate (EBD/83/247, 9/28/83).
