

Reporting by the Fund of Overdue Obligations

The Executive Board decides that overdue financial obligations to the Fund of members having obligations overdue for six months or more will be reported in aggregate by category of obligation but without identifying the members involved, in the Fund's Annual Report, quarterly Financial Statements of the General Department and the SDR Department, yearbook issue of Balance of Payments Statistics, and International Financial Statistics.

Declarations of ineligibility to use the Fund's general resources will be reported in the Fund's Annual Report and will identify the members concerned, beginning with the 1985 Annual Report.
