

4. REFORM OF INTERNATIONAL MONETARY SYSTEM - PUBLICATIONS

The Executive Board approves the publication of a number of staff papers on various issues relating to the reform of the international monetary system in two Occasional Papers, one dealing with the role of the SDR and the other with exchange rate policies and surveillance, together with the publication in the IMF Survey of relevant excerpts from a staff paper on proposals in the G-10 and G-24 reports. (EBD/86/161, 6/3/86; Sup. 1, 6/10/86; and Sup. 2, 6/13/86)

Adopted June 17, 1986
