EB/CW/DC/03/3  
Supplement 1

March 3, 2003

To: Members of the Committee of the Whole  
for the Development Committee

From: The Secretary

Subject: **Achieving the MDGs and Related Outcomes—A Framework for  
Monitoring Policies and Actions**

It has been proposed that the paper, prepared jointly by the staffs of the Fund and the World Bank, on *Achieving the MDGs and Related Outcomes: A Framework for Monitoring Policies and Actions* (EB/CW/DC/03/3, 2/27/03), **be taken up on a lapse of time basis**, rather than be discussed at the Board meeting on March 19. Accordingly, if no Director has requested by **noon on Wednesday, March 12, 2003** that the matter be taken up at a meeting of the Committee of the Whole, the paper will be provided to the forthcoming Development Committee meeting, following the discussion of the paper by the World Bank's Committee of the Whole on March 11 and with any revisions to the paper required by that discussion.

Questions may be referred to Mr. Boughton (ext. 37477) and Mr. P. Fallon (ext. 35993) in PDR.
