Subject: Yemen Arab Republic - Request for Technical Assistance

A request has been received from the authorities of the Yemen Arab Republic for a technical assistance mission to assist in the development of a macroeconomic stabilization model within which to formulate appropriate fiscal policies for 1982. It is proposed to comply with this request by sending a staff mission to Sana'a during the period November 10-22, 1981 consisting of Messrs. G. T. Abed, Division Chief, Middle Eastern Department, A. Brillembourg, Research Department, S. Ishii, EP, Middle Eastern Department, M. J. Moriarty, Senior Economist, Fiscal Affairs Department, and a secretary.

In the absence of a request for a discussion by an Executive Director by noon on Tuesday, October 27, 1981, the proposal will be deemed to have been approved by the Executive Board and it will be so recorded in the minutes of the next meeting thereafter.
