To: Mr. Robert Bryce, Chairman  
Committee on Rules for the 1974 Regular Election of Executive  
Directors

From: Antoine Yaméogo

Subject: Report on the 1974 Regular Election of Executive Directors

Further to my clarifications to you by telephone yesterday, I wish to transmit to you the preference of my constituency to reserve their right until twelve (noon) on the eve of the election. Their preference is justified mainly by the necessity for them to meet, further consult, and make their choice a few days before the deadline at the headquarters of the conference.

On behalf of my constituency, would you kindly inform the members of your committee accordingly.
