Subject: **Nauru's application for membership**

I am writing to advise you that I have accepted a request by the Minister of Finance of Nauru to assist in their application of membership to the IMF.

As you know, my office has informally followed this process to date and received updates from staff at various points. Given the Minister's formal request for my assistance I would welcome a further briefing from staff in the near future.

The primary contact in my office for this matter will be Mr. Ian South (+1 202 623 8876; isouth@imf.org). Ian will be in contact with staff to arrange a meeting.

I look forward to working with you in this matter.

Warm regards,
