EB/CAP/89/5
Supplement 4

December 12, 1989

To: Members of the Committee on
Administrative Policies

From: The Committee Secretary

Subject: Eligibility of Staff Members' Dependent Children
for Certain Benefits (EB/CAP/89/5)

A member of the Committee has requested that the draft of the Acting Chairman's summing up of the discussion of the Committee on Administrative Policies at Meeting 89/6 of 12/7/89 (EB/CAP/89/5, Supplement 3, Attachment I) be amended to include after the first sentence the following:

In reaching this conclusion, members noted the consultations between the Fund's staff and their counterparts in the World Bank, and the indication that the latter intended strongly to support similar changes in the Bank. It was understood that Fund management would point out to Bank management the circumstances of CAP action and that difficulties might ensue if the changes recommended to the Executive Board of the Bank were to be different from those recommended to the Executive Board of the Fund.

It was also suggested that in the additional paragraph contained in EB/CAP/89/5, Supplement 2 of December 8, 1989 (Attachment II to EB/CAP/89/5, Supplement 3) the words "seemed reasonable" at the end of the penultimate sentence be replaced by "was appropriate;" and that in the last sentence the words "very strong" be deleted.

In the absence of an objection from a member of the Committee by the close of business on Wednesday, December 13, 1989, the summing up, as amended, together with EB/CAP/89/5, Supplement 2, as amended, will be deemed to have been approved.
