December 16, 1983

To: Members of the Committee on  
Executive Board Administrative Matters

From: The Committee Secretary

Subject: Review of Travel Allowances for Executive Directors

At the request of the Acting Chairman, the attached paper that has been distributed to the Bank Committee on Executive Directors Administrative Matters is being circulated to the members of the Committee on Executive Board Administrative Matters. As mentioned in paragraph 4 of the Bank's paper, proposals for changes in the travel allowances for Fund staff are not being put forward at this time. Committee members will no doubt recall that, in recent years, adjustments in travel allowances for Fund Executive Directors have been linked to those approved for the staff.
