To: Members of the Committee on Executive Board  
Administrative Matters

From: The Committee Secretary

Subject: Staffing of Executive Directors' Offices

At a meeting of the Committee on Executive Board Administrative Matters on Thursday, August 2, 1984, it was proposed that a general review of the staffing of Executive Directors' offices should be undertaken. The staff has been asked to prepare, as soon as possible, a paper examining the adequacy of the current staffing guidelines for Executive Directors' offices. It is planned to schedule this study for discussion by the Committee at an early date after the Annual Meetings.
