EB/CW/QMethodology/92/3
Correction 1

MASTER FILES
ROOM C-525

0411

CONFIDENTIAL

March 26, 1992

To: Members of the Committee of the Whole on Membership
for the Republics of the Former U.S.S.R.

From: The Secretary

Subject: Ranking of Fund Members Under the Eighth
and Ninth General Reviews of Quotas

In EB/CW/QMethodology/92/3 (3/24/92) data for Belgium and Luxembourg under the Eighth Review were given jointly on page 7 because there was only a joint calculated quota for both countries under that review. However, as separate data for each of these two countries' actual quota, voting power, and shares in quotas and voting power under the Eighth Review are available, the following corrections have been made:

Page 1, for Belgium: Actual quotas, voting power, and shares in quotas and voting power under the Eighth Review have been added.

Page 4, for Luxembourg: The same data as above relating to Luxembourg have been added.

Page 7, for Belgium and Luxembourg: The combined data on actual quota and voting power, and shares in quotas and voting power have been dropped and a footnote added indicating that they have been replaced by the data for the individual countries reported separately.

The corrected pages are attached.
