Subject: El Salvador - Request for Technical Assistance

A request has been received from the Salvadoran authorities for technical assistance in the fiscal field. This involves the consolidation of the public sector operations, reconciliation of the public sector operations with the monetary accounts, and a review of the operations of numerous special accounts created to deal with foreign aid. It is proposed to comply with the request and to send Mr. Angel L. Antonaya, Economist, Fiscal Affairs Department, to San Salvador for about three weeks beginning mid-May 1988. (He would be accompanied by a member of the panel of fiscal experts experienced in budget matters.)

In the absence of a request for discussion by an Executive Director by noon on Tuesday, May 3, 1988, the proposal will be deemed to have been approved by the Executive Board and it will be so recorded in the minutes of the next meeting thereafter.
