Mr. Jörgeŋ Ovi, Executive Director  
International Monetary Fund  
Washington D.C. 20431  
U.S.A.

Effective today, May 16, 1988, the exchange rate of the Icelandic króna has been devalued by 10 percent against a trade weighted basket of currencies. At the same time, the Government authorized the Central Bank to allow the króna to depreciate another 3 percent if deemed necessary.

Please inform the appropriate departments of the Fund.

Yours sincerely
