Subject: Djibouti - Notification of Delay in Concluding the
Article IV Consultation

The 1987 Article IV consultation with Djibouti was concluded on October 7, 1987. Since an interval of 12 months until the next consultation was specified for Djibouti, the 1988 consultation should have been concluded by October 7, 1988, or should be concluded at the latest by January 7, 1989, allowing for the three-month grace period beyond the end of the interval specified.

Owing to staffing problems, the consultation discussions were delayed. It is now agreed with the authorities to hold the discussions in January 1989 with the expectation that the Board discussion concluding the consultation would take place in April 1989.
