Subject: Kiribati - Notification of Delay in Concluding
the Article IV Consultation

The 1986 Article IV consultation with Kiribati was concluded on November 21, 1986. Since an interval of 24 months until the next consultation was specified for Kiribati, the 1988 consultation should be concluded by November 21, 1988.

Owing to staffing difficulties, and with the concurrence of the authorities, the Article IV consultation discussions have been scheduled for March 1989. On this basis, it is expected that the Board discussion concluding the Article IV consultation could be held by end-June 1989.

Mr. Al-Eyd (Ext. 7335) is available to answer questions on this matter.
