People's Republic of Mozambique - Exchange Arrangements

Prepared by the African Department and the Exchange and  
Trade Relations Department

(In consultation with the Legal Department)

Approved by A.D. Ouattara and Helen B. Junz

July 29, 1987

In the attached telex dated June 29, 1987, the authorities of Mozambique have notified the Fund of a devaluation of the exchange rate of the metical.

With effect from June 27, 1987 the exchange rate of the metical has been adjusted from MT 200 = US\$1 and MT 204 = US\$1 (buying and selling rates, respectively) to MT 400 = US\$1 and MT 408 = US\$1, representing a mid-point depreciation of 50 percent in terms of the U.S. dollar. The suspension of the peg to a currency basket mentioned in the telex had taken effect from January 31, 1987. On that date the exchange rate was also adjusted from MT 38.279 = US\$1 and MT 39.069 = US\$1 (buying and selling rates, respectively) to MT 200 = US\$1 and MT 204 = US\$1. 1/

The structural adjustment arrangement for Mozambique, approved by the Fund on June 8, 1987, envisages periodic adjustments of the exchange rate toward a realistic level. 2/ The staff welcomes the policy action described above, which is in accord with this objective.
