Subject: Bangladesh - Request for Technical Assistance

A request has been received from the Bangladesh authorities for technical assistance in the tax field. This would comprise the identification of new sources of revenue and measures to improve tax administration as envisaged under the current structural adjustment facility (SAF) arrangement.

It is proposed to comply with this request and to send Mr. Parthasarathi Shome, Senior Economist, Fiscal Affairs Department, to Dhaka for up to three weeks from late April 1987. (He would be accompanied by a member of the fiscal panel experienced in tax administration.)

In the absence of a request for discussion by an Executive Director by the close of business on Monday, April 13, 1987, the proposal will be deemed to have been approved by the Executive Board and it will be so recorded in the minutes of the next meeting thereafter.
