Subject: Dominica - Request for Technical Assistance

A request has been received from the Dominica authorities for a brief technical assistance visit in the framework of the preparation of their budget. This assistance would follow up on a comprehensive tax survey prepared by the Fund in 1982 and also relate to a broad tax reform program prepared by the authorities which is now awaiting final approval.

It is proposed to comply with this request and to send Mr. Carlos A. Aguirre, Advisor, Fiscal Affairs Department, to Roseau for a few days in late June 1987.

In the absence of a request for discussion by an Executive Director by noon on Friday, June 19, 1987, the proposal will be deemed to have been approved by the Executive Board and it will be so recorded in the minutes of the next meeting thereafter.
