EBD/87/133

May 14, 1987

To: Members of the Executive Board
From: The Secretary
Subject: Argentina - Request for Technical Assistance

The Argentine authorities have requested Fund technical assistance to review the current system of presentation of budget estimates and accounts, in particular budget deficits, and to make recommendations for improvement. It is proposed to comply with this request and send a mission to Buenos Aires in late May 1987 for about two weeks. The mission would comprise Mr. A. Premchand, Assistant Director (head), and Mr. A. L. Antonaya, Economist, both of the Fiscal Affairs Department.

In the absence of a request for discussion by an Executive Director by noon on Wednesday, May 20, 1987, the proposal will be deemed to have been approved by the Executive Board and it will be so recorded in the minutes of the next meeting thereafter.
