Subject: Central African Republic - Request for Technical Assistance

A request has been received from the Central African Republic authorities for technical assistance in the fiscal field. This would comprise follow up on an earlier report, a review of customs and tax exemptions and incentives, and advice on the application of the complementary tax on imports.

It is proposed to comply with the request and to send Mr. François L. Corfmat, Tax Administration Analyst, Fiscal Affairs Department, to Bangui for approximately three weeks from early November 1987. (A member of the fiscal panel would also participate.)

In the absence of a request for discussion by an Executive Director by noon on Wednesday, October 21, 1987, the proposal will be deemed to have been approved by the Executive Board and it will be so recorded in the minutes of the next meeting thereafter.
