From: The Managing Director

Subject: Changes Affecting Senior Staff Notified Under Rule N-12

In accordance with Rule N-12, this is to inform the Executive Board of my intention to take the actions affecting present senior staff which are shown on the attached list. The significant number of senior personnel changes over the remainder of FY 1988 reflects the need to plan for an unusually large number of vacancies, as well as the increasing emphasis being given to senior staff mobility. Brief curricula vitae for those staff members being promoted to a higher salary grade are also attached.
