Subject: Mauritania - Request for Technical Assistance

A request has been received from the Mauritanian authorities for technical assistance in the areas of corporate taxation and customs exemptions. It is proposed to comply with this request by sending Mr. E.-A. Conrad, Advisor, and Mr. A. Goorman, Senior Tax Administration Analyst, both of the Fiscal Affairs Department, to Nouakchott, for a period of about one week in mid-November. This visit would partly overlap with a staff visit to analyze the 1987 budget, and Mr. Goorman's travel would be in conjunction with his technical assistance mission to Sierra Leone (EBD/86/275, 10/15/86).

In the absence of a request for discussion by an Executive Director by noon on Wednesday, October 29, 1986, the proposal will be deemed to have been approved by the Executive Board and it will be so recorded in the minutes of the next meeting thereafter.
