June 13, 1986

To: Members of the Executive Board
From: The Managing Director
Subject: Changes Affecting Staff Notified Under Rule N-12

In accordance with Rule N-12, I wish to inform the Executive Board of my intention to take the actions affecting present staff which are shown in the attached list. Brief curricula vitae for those staff members being promoted to a higher salary grade are also attached.

The implementation of the job grading exercise last February has resulted in a two-month delay from the normal time schedule in completing the annual performance and merit exercises and in the preparation of the May 1, 1986 staff list. Accordingly, while the actions announced in the attached list will only be formally implemented on June 27, 1986, the changes are to be made effective retroactive to May 1, 1986, unless otherwise indicated.
