1. REPORT BY MANAGING DIRECTOR

The Managing Director, commenting on the meeting of the United Nations Administrative Committee on Coordination held in Geneva on April 22, 1985, said that the meeting had consisted of three parts: a private informal assessment by the Secretary-General of developments in the world political situation and the possible role of the United Nations in responding to those developments; an examination of the general world economic situation and the contribution that the various UN institutions could make to a betterment of the situation; and a special session on the problems of subSaharan Africa. During the examination of the world economic situation, he had reported briefly on the recent meetings of the Interim and Development Committees. His statement would be circulated in the coming week. During the session on the problems of sub-Saharan Africa, a number of UN organizations interested in development, including the UNDP, the FAO, and the World Bank, had reviewed their efforts in coordinating emergency and other forms of assistance provided by them. During that session, he had also made a brief statement concerning the role of the Fund in Africa.

2. ADMINISTRATIVE BUDGET, FY 1986

The Executive Directors, meeting in restricted session, continued from the previous meeting (EBM/85/63, 4/26/85) their consideration of the proposed Administrative Budget for financial year (FY) 1986 (EBAP/85/85, 4/1/85; Cor. 1, 4/18/85; and Sup. 1, 4/25/85). They also had before them a paper reviewing the Fund's income position for FY 1985 and FY 1986 (EBS/85/104, 4/25/85), a paper outlining plans for the development of an IMF Visitors' Center (EBAP/85/83, 3/29/85), a nationality distribution list of the staff (EBAP/85/88, 4/3/85), and information on Executive Board and other meetings of Executive Directors during the calendar year 1984 (Secretary's Circular No. 85/49, 4/8/85).

At the conclusion of the discussion, the Executive Board approved the following decisions:
