INTERNATIONAL MONETARY FUND

Tonga - Designation of Depository

(Prepared by the Treasurer's Department)

(In consultation with the Asian and the Legal Departments)

Approved by David Williams

October 22, 1985

Article XIII, Section 2(a) of the Articles of Agreement provides that "Each member shall designate its central bank as a depository for all the Fund's holdings of its currency, or if it has no central bank it shall designate such other institution as may be acceptable to the Fund."

Tonga has no central bank. In a statement dated September 10, 1985 the Government of Tonga proposes the Treasury as depository (Attachment I). In a cable dated September 24, 1985 the Ministry of Finance confirms that the Treasury is able to perform the necessary functions (Attachment II).

It is recommended that the Fund accept the Treasury of Tonga as the depository for its holdings of the currency of Tonga.

Accordingly, the following draft decision is proposed for adoption by the Executive Board:

The Fund accepts the Treasury of Tonga as the depository, under Article XIII, Section 2(a), for all the Fund's holdings of the currency of Tonga.
