Subject: Zaire - Request for Technical Assistance

A request has been received from the Zaïrian authorities for a joint Fund/Bank technical assistance mission to review various budgetary matters, as well as the financial status of the nonfinancial budget enterprises. On the Fund side, this would comprise a review of the tax administration and tax policies and of customs procedures.

It is proposed to comply with this request and to send to Kinshasa for about three weeks from the second half of January 1986 a mission comprising Mr. L. Mutén, Senior Advisor, Mr. F.-L. Corfmat, Tax Administration Analyst, and Mr. B. Sarr, Economist, all of the Fiscal Affairs Department, together with a secretary.

In the absence of a request for discussion by an Executive Director by noon on Friday, January 3, 1986, the proposal will be deemed to have been approved by the Executive Board and it will be so recorded in the minutes of the next meeting thereafter.
