Supplement 1

November 19, 1985

To: Members of the Executive Board

From: The Secretary

Subject: Use of Fund Archives

Executive Directors will recall that the Fund gave access to its Archives in order to assist Mr. Etienne Deshormes, a research fellow of the Gutt Foundation, to study the role of Camille Gutt as the Fund's first Managing Director. The result of Mr. Deshormes' research is now available in the form of a monograph slightly over 100 pages in length and written in French. Any Executive Director wishing to have a copy of this study should so indicate to the Archivist, Extension 8931.
