To: Members of the Executive Board  
From: The Secretary  
Subject: Bangladesh - Request for Technical Assistance

A request has been received from the Bangladesh authorities for technical assistance in the fiscal field to improve the system of fiscal reporting in the National Board of Revenue. The system would be reviewed and recommendations made for the collection and classification of data on income tax, customs and excise, both for the immediate future, as well as for eventual computerization.

It is proposed to comply with this request and to send Mr. J. F. Garnier, Advisor, Fiscal Affairs Department, to Dhaka for up to three weeks from late March 1985. (Mr. Garnier would be accompanied by a member of the fiscal panel experienced in revenue statistics.)

In the absence of a request for discussion by an Executive Director by noon on Wednesday, March 20, 1985, the proposal will be deemed to have been approved by the Executive Board and it will be so recorded in the minutes of the next meeting thereafter.
