EBD/85/200

July 31, 1985

To: Members of the Executive Board  
From: The Secretary  
Subject: Mexico - Request for Technical Assistance

A request has been received from the Mexican authorities for technical assistance to undertake a comprehensive survey of the direct taxes levied by the Federal Government. The survey will cover both the structure and the administration of the direct taxes. The study would complement the survey of the indirect tax system carried out in April 1985 (EBD/85/75, 3/13/85). It is proposed to comply with this request and to send Mrs. Milka Casanegra de Jantscher, Chief, Tax Administration Division, Fiscal Affairs Department, and a secretary to Mexico City for about three weeks from mid-August 1985. (Two consultants with relevant specialized skills would accompany the mission.)

In the absence of a request for discussion by an Executive Director by noon on Tuesday, August 6, 1985 the proposal will be deemed to have been approved by the Executive Board and it will be so recorded in the minutes of the next meeting thereafter.
